Subject: Appointment & Offer of Employment

Dear Riya Patel,

We are pleased to extend to you a formal offer of employment for the position of Senior Chemical Engineer at Aspino Chemicals Corp. Following our comprehensive interview process and review of your professional accomplishments, we are confident that your technical expertise, qualifications, and industry knowledge will make a substantial contribution to the success and strategic objectives of our organization.

Position Details:

Offered Designation	Senior Chemical Engineer
Annual Compensation (CTC)	Rs. 6,00,000 / annum
Expected Joining Date	July 28, 2026

Terms & Conditions:

- Credential Verification:** This offer of employment is contingent upon the successful completion of background checks, reference verifications, and the submission of all required academic and professional credentials.
- Probationary Period:** Upon commencement of your employment, you will undergo a probationary period of six (6) months. Confirmation of permanent status is subject to satisfactory performance appraisals by management.
- Acceptance of Offer:** Please indicate your formal acceptance of these terms by signing and returning the duplicate copy of this letter on or before your scheduled joining date.

Sincerely,

HR Director
Aspino Chemicals Corp
